

DEBIT PAYMENT WITH CANPAY!

WHAT IS CANPAY?

CanPay is a debit payment app that allows you to pay for your purchases at cannabis retailers with a simple debit to your checking account when you make a purchase.

HOW DO I START USING CANPAY?

Create your CanPay account and download the CanPay Debit Payment App. From there, you can start paying for cannabis purchases like you pay for purchases everywhere else.

BENEFITS

- It's Fee Free: no "convenience" or other fees when you make a purchase
- It's Convenient: no pre-planning to get cash or waiting in ATM lines
- It's Safer: no cash to lose
- It's Secure: Cutting edge security means only you can make purchases with your account
- It's Simple: Just generate a unique payment PIN in your CanPay app and you're ready to make a purchase
- It's Debit: A debit is made to your checking account in the exact amount of your purchase
