

Know and Understand the Risks

If you have any concerns or questions about the products you were sold, about this dispensary, or wish to speak with a representative concerning any aspect of medical marijuana, please call The State of Ohio Medical Marijuana Control Program Toll-Free Helpline at 1-833-4OH-MMCP (1-833-464-6627).

This product may cause impairment and may be habit-forming. Smoking medical marijuana is not permitted in the State of Ohio. There may be health risks associated with consumption of this product. This product should not be used by women who are pregnant or breastfeeding. This product is for use only by the person named on the label of the dispensed product. Keep out of reach of children. Marijuana can impair concentration, coordination and judgment. Do not operate a vehicle or machinery under the influence of this drug. Statements made regarding these products have not been evaluated by the Food and Drug Administration. The efficacy of these products has not been confirmed with FDA-approved research. These products are not intended to diagnose, treat, cure or prevent any disease. All information presented here is not meant as a substitute for or alternative to information from healthcare practitioners. Please consult your healthcare professional about potential interactions or other possible complications before using any product. Please consult your healthcare provider before making any healthcare decisions or for guidance about a specific medical condition. Duration and effects of cannabis products can vary by product and personal tolerance, please wait until individual effects are measured prior to taking additional doses.

Product Return Policy

If you do not plan on consuming all of the product purchased from us you may return it to us at any time and we will dispose of it at no cost. If the product exhibits any signs of contamination, please discontinue use and return the product(s) to the dispensary for further evaluation. Dispensary staff will examine the product and handle the situation accordingly. NOTE: This Product Return Policy does not cover accessories. In the event your accessory malfunctions, please contact the manufacturer to make a warranty claim.

In the event of a state issued recall of any medical marijuana products, the dispensary will reach out to all affected patients via phone or email to issue a refund and dispose of the product.
